If the entry in column 1 is less than zero, enter "0" in column 2.

If the "Highest Number Previously Paid For" is less than zero, enter "0".

If the "Highest Number Previously Paid For" is less than zero, enter "0".

The "Highest Number Previously Paid For" is determined by the highest number required under 37 CFR 1.16(c) for the claims remaining after the amendment. The "Present Extra" is determined by the difference between the highest number previously paid for and the present extra required under 37 CFR 1.16(c). The "Additional Fee" is determined by multiplying the "Present Extra" by the rate for the highest number previously paid for. The "Total Fee" is determined by adding the "Basic Fee" and the "Additional Fee".
